

PATRICIA SMITH DESIGNS

CLASSIC COLLECTION

WINTER

Welcome to our Winter Classic Collection.

A rare experience where you can be involved in choosing exactly what you want for your children.

After many months of thought and planning we have re-organised our business and re-located, too. From beautiful St. Ives in Cornwall to equally picturesque and historical Bradford on Avon, in Wiltshire, close to Bath.

The business will continue to grow covering both bespoke and ready-to-wear baby and children's clothes. The emphasis will remain classic and traditional, with the odd surprise here and there!

This brochure shows the 'Classic Collection' range. These are designs that we have used for many years and form the basis of each collection. From this you are able to choose bespoke outfits, usually for special occasions from birthday parties to important weddings and christenings. Or, indeed, to wear every day simply because you love to see your children looking gorgeous! You will be able to choose your fabric from the current chart, add detail, accessorise and ultimately have a truly unique wardrobe for your little one.

Only the fabric chart will change from season to season. The content of the brochure will remain the same and the prices valid for the next 2-3 years. So, even if you don't want to order yet, the brochure will always be in place, to refer to when that special function comes along.

Like all precious things, our clothes take time to be lovingly constructed and hand finished here in our town workshop studio. Depending on our current order book we advise you to allow around 4-6 weeks.

With very best wishes,

Patricia
